If you don't go to the election, your vote automatically counts as "No". The Peter Lustig School will then remain a Catholic primary school.

Cologne, 2 May, 2024

**Dear parents and legal guardians of the KGS Peter Lustig School,**

**Now comes the choice: Do you want our Peter Lustig School as a GGS (community primary school)?** The election is carried out by the school authority.

**Yes vote: I would like the school to be converted into a community primary school. The Peter Lustig School should be converted into a GGS.**

**No vote: The Peter Lustig School remains a Catholic primary school (KGS).**

**Attention: If you don't vote, you automatically vote NO!**

**(No means the Peter Lustig School remains a Catholic primary school.)**

**IMPORTANT NOTE: Bring your ID card/passport with a photo!**

**You always have a one vote for every child at the Peter Lustig School.**

1 child (at the Peter Lustig School) = 1 vote

2 children (at the Peter Lustig School) = 2 votes

3 children (at the Peter Lustig School) = 3 votes

**For a conversion 51%, i.e. 145, YES votes are needed. Then the Peter Lustig School will become a GGS!**

**Every vote counts and every vote is important!**

You can find all further information on the school's homepage, including the parent information evening on the subject of school conversion ( <https://peter-freude-schule.de/eltern/initiative-schulumwandlung-kgs-zur-ggs-2024> ).
